ABOUT DJ JAMES REASE

Born in 1991 at Saint-Etienne (France), JAMES REASE has a passion for music from an early age. He began to develop his style combining the sounds of the 70s and 80s, sometimes soul, funky and disco, sometimes electro house and hip hop! First DJ in club, JAMES REASE explores new electronic horizons and preaches his music « made in France » in the biggest clubs of Malta, Spain and Australia. Many years of passion where JAMES REASE defends his music and continues with determination, to explore without a half-measure this world of the night, thus drawing inspiration from his travels. JAMES REASE, DJ, remixer and producer.

NEW RELEASES

In recent years, the artist is not confined to the scene and also produces his own sounds and soundtracks, at the request of movies and series like Star Wars, Rambo, but also video games such as Batman Arkham Origins and artists such as Shinobi Ninja or Gappy Ranks... Since 2016, JAMES REASE has been mixing on radio such as MixFever, Radio Modul...

In this way, he continues his voice and keeps a contact privileged with a public close to his aspirations!

JAMES REASE is above all a mix of hip hop, electronic, house and funk genres. He shares his passion in festivals and spring breaks, proud to widely broadcast its electro waves. Since 2021, he joined the Sono Dynamite team where he chained the events.
